

THE WOMEN'S FUND OF WELD COUNTY, INC.

A Fund of the Weld Community Foundation

Dear valued supporter,

As a native of Weld County, I find myself constantly saying how blessed I am to live here. Our county is incredibly generous when it comes to philanthropic support such as The Women's Fund of Weld County. Even during tough economic years, we have found a place in so many of your hearts to continue giving to provide grants for women and girls in Weld County. By giving to The Women's Fund of Weld County, you know that your dollars are staying local. Our grantees are required to serve women and girls in Weld County. I have 3 daughters-number 4 is on the way. I know that my contributions are benefiting the community, economy, and society

they are growing up in.

I always say, "everything I do is for my girls" and that includes giving to The Women's Fund of Weld County in my time, talent, and finances. By giving to programs that provide a hand up and not a handout to women and girls in our community, I know that my girls will be surrounded by strong women who create their own opportunities and success. They grow and rise above whatever difficulty may stand in their path. I am proud of the grants and success stories we hear from the programs we have supported.

Since 1999, The Women's Fund has awarded \$377,544 to 169 programs in Weld County. The Women's Fund is an all-volunteer organization, which means that every dollar you have given has supported our mission to improve lives of women and girls in Weld County. To be a part of this organization is inspiring and humbling.

We are thankful our founding mothers started the endowment fund over 20 years ago and thankful for your generous support throughout the years. This pre-planning and generosity has strengthened our endowment fund to grow over \$700,000. And we are delighted to share that even in a tough year such as 2020, we were able to award \$33,400 in grants.

As the year comes to a close, please consider donating to our endowment fund so we can continue to grow our giving strength even in challenging years when we cannot gather to have fun and raise money at in-person events such as Decadent Desserts.

We are grateful for your support and continue to keep The Women's Fund of Weld County in mind for your year-end giving.

Sincerely,

Julia Nisly

Want to Give to Women and Girls in Weld County?

CONSIDER US IN YOUR END OF YEAR CONTRIBUTIONS: If you haven't made the decision to donate to our endowment fund, please consider us in your end of year contributions. Many of you attend Decadent Desserts each year; if you normally attend, please consider donating what you would normally donate in the Spring. Anything helps—even a \$20 donation to the endowment fund can make a huge impact on the lives of women and girls in our community.

LEGACY GIVING: If you haven't created a Legacy Giving request in your estate plan, we would be honored to be a charitable gift in your will or requested donation in lieu of flowers. This year we were blessed by Betty Tointon whose family remembered The Women's Fund of Weld County in her final requests. Her friends and family generously donated \$15,125. As many of you remember, Betty was one of our founding mothers and was awarded 2020 Champion for Women prior to her death; her legacy and her generosity will forever be remembered.

**MORE
WAYS
TO
HELP**

- › Donations of any size or form are important in helping our power to give
- › In-kind services assist with our fundraisers
- › Volunteer for our Board of Directors
- › Host a Friend-Raiser
