

*A Fund of the Weld Community Foundation*

Dear Valued Women's Fund Ally,

As 2022 ends, I reflect on how honored I am to be a part of an organization like the Women's Fund of Weld County. 2022 felt special because we were officially '*back to normal*'. We gathered at a new venue for Decadent Desserts and held one of our most successful events yet! This fall, we threw dice and won amazing prizes at our first ever Ladies Night Out Casino Royale event. These events would not be possible without the continued support from our Weld County Community, which I am convinced is one of the strongest out there.

Since 1999, the Women's Fund has awarded over \$450,000 in grants to non-profits throughout the county who are focused on giving women and girls a hand up rather than a handout. We can continue to grant these funds thanks to our founding mothers who created an endowment fund over 20 years ago, in addition to our fundraising dollars that would not be possible without your generous support. This year we are proud to announce that we were able to grant \$47,000 to 10 different non-profits. We feel grateful that we can maintain the support of our fellow non-profits, even in challenging economic times.

Another highlight of 2022 was the launch of our new program, Fund Her Future. This program is designed for those who would like to give, but not all at one time. It allows you to spread your donation over a three-year period with the ability to fund the value of a quarter, half, or full grant. You may also select your own level of giving. For more information on Fund Her Future, please visit our website.

Please continue to keep the Women's Fund of Weld County in mind for your 2023 giving. We look forward to connecting in-person at our events this year!

Sincerely,

*Kelsey Vandemark*

## THANKS TO OUR MISSION SPONSORS

## THANKS TO OUR 2022 EVENT ATTENDEES

Many thanks to everyone who supported our 2022 annual fundraisers. Our 2022 Decadent Desserts event, Caribbean Dreams, brought in record profits. With over 230 attendees at Zoe's Café in downtown Greeley, we brought in \$61,000 in revenue from the event and netted over \$44,000. Many thanks to those of you who attended, supported, and volunteered at the event. We are grateful for every one of you and look forward to our next event.

In October, we rolled the dice and held our first ever Ladies Night Out Casino Royale event at the Kress Cinema and Lounge. The night was a great success and netted almost \$5,000.

## OUR NEW MONTHLY GIVING PROGRAM

Over the years our **Possibility of Three** monthly giving program began to wane. There were few renewals and even fewer new supporters. We re-imagined this program and feel it truly embodies the organization's mission:

*To grow the endowment to advocate and support Weld County women and girls, empowering them to reach their full potential.*

Fund Her Future is designed to allow one person, or a group of people, to fund the value of our average grant (\$3,600) over a three-year period. We introduced the program at Decadent Desserts and followed up with a direct mail/social media campaign to promote the program in July. Learn more about Fund Her Future at [www.weldwomensfund.org/donate](http://www.weldwomensfund.org/donate).

Thanks to our supporters who are Funding Her Future with a 3-year commitment.
